

Maryrest Chapel Mausoleum
Archdiocese of Newark

CMC has delivered successfully on the design-build of our newest development at Maryrest Cemetery. It includes our magnificent Chapel mausoleum along with five other structures. They have an exceptional track record in our industry, and this is why we partnered with them.

Andrew P. Schafer
CCCE, Executive Director,
Archdiocese of Newark Catholic Cemeteries

THIS IS HOW YOU LEAVE A MARK ON HISTORY.

Long-lasting legacies don't deserve anything less than the best. Quality materials. Craftsmanship. Attention to detail. That's what we believe at CMC. And it's why we're so passionately dedicated to building every project perfectly. From design to construction to completion, whether it's small cremation projects or full-scale mausoleums, you can be sure that we build to our own standards of excellence, whatever the challenge. And our top experts are completely hands-on with every project, which keeps us on-time, on-budget and surprise-free.

A final resting place means so much to a family. And it means just as much to us.
