

# TOP 10 REASONS WHY CLIENTS CHOOSE CMC FOR MAUSOLEUM CONSTRUCTION

1

CMC is a full service, licensed general contractor.

2

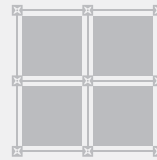

We have all the resources in order to provide you with all the services you need, including superior design build capabilities.

3

CMC builds more mausoleums in more regions of the United States and Canada.

4

As a leader in the funeral construction industry, CMC designs, fabricates and installs the industry's finest glass front niches. Unlike most mausoleum builders, at CMC we have all the resources to internally design, fabricate, and install our own niches which results in superior product and quality.

5

At CMC we construct projects of all sizes ranging from small cremation estates to multi-million dollar mausoleums. There is no project too small for our team.

6

CMC offers focused, personal service every step of the way, from design to estimating, to weekly progress reports during construction, face to face meetings, post construction support and more.

7

With CMC, you get direct contact with project leads, sales and management at every step of the way.

8

With CMC, you're constantly kept up-to-date on progress.

9

We offer end-to-end turnkey services including design, estimating, engineering, construction, cremation niche manufacturing and installation, bronze accessory supply and installation.

10

CMC aims to eliminate any unpleasant surprises for maximum peace-of-mind.
