Just like mausoleums have become an integral part of your sellable inventory, Columbarium Suites™ give you a leading edge in the fast-growing cremation market.

As the industry leader in designing and building Columbarium Suites™, CMC will work diligently to understand your business, your needs and your customers. This means you get the most experienced partner for your project and the best value and quality in the industry.

Plus, CMC's multi-faceted team of dedicated employees will handle it all, from consultation to design, to inventory planning, engineering, construction, and even the cremation niche manufacturing and installation.

Isn't it time to set up your business for a profitable tomorrow? With CMC, now you'll never miss another cremation opportunity.
